

Science Essential Opportunities

A combination of the Chris Quigley Essentials Curriculum and Rising stars Science packs are used for the teaching of science in all year groups KS1 and KS2. Science lessons are taught weekly and Teachers can choose when to teach these areas dependent on their themes for that half term.

Please click below to see what each year group will be covering in the year.

Year 1

Plants	Materials
Animals and Humans	Seasonal Changes

Year 2

Plants	Materials
Animals and Humans	Living things and their habitats
