Parent View As you may know from our recent parents evenings, we are encouraging parents and carers to log on (either using a guest account or by registering) to Parent View and give our school some feedback. www.parentview.ofsted.gov.uk This feedback is used by our staff to gauge how our parents view the school and by prospective parents when choosing schools for their children. If you do not wish to register (does not require much information) then please contact me directly for a guest login. Thank you for your support.

Lightmoor Fest!

We will be holding our own 'Lightmoor Fest' on Friday 15th July from 12.30pm which will be a chance to showcase some of our musical pupils. There will also be a bouncy castle, ice cream van, BBQ, strawberries & cream, face painting and much more. We hope you will be able to join us for this fun filled afternoon.

Parking

Can we remind everyone to park responsibly, there should not be any cars on the pavements or double yellow lines outside of school for the safety of pedestrians and those crossing the roads. If you collect after a club, please come personally to the gate.

Contact Information

It is vital that contact information is kept as up to date as possible so please notify the school office if there are ever any changes to your details.

PE Kit

A reminder that PE Kits should be brought into school on Monday mornings and taken home on Friday afternoons. Timetables may have to be changed slightly to accommodate other things so it is important your child's kit is always here.

Medical Appointments

Please ensure you make routine dental and doctor appointments for your child out of school hours. We are very concerned about the number of children attending routine appointments during school time. It is extremely disruptive to your child's learning to be coming in and out of lessons unnecessarily. We have checked with local dentists and doctors and they all provide appointments after 3.30pm and during the school holidays.

We are looking forward to an exciting second half of Summer Term with our pupils, and to welcoming our new reception starters on their induction days before starting with us in September.

Thank you for your continued support.
