

Key religious **vocabulary** is explained and used throughout RE lessons in an attempt to make links, compare and contrast.

In accordance with the local authority SACRE scheme, RE is taught with a focus on key questions. These help structure the planning and give a focus to each lesson.

We have a set of practical resources to support the teaching of each main religion.

Staff receive regular CPD and support/updates from the local authority, local religious groups and RE lead.

Religious Education At Lightmoor

What does it look like?

We follow the local authority "Sacre" scheme but adapt it where necessary to suit our children.

Where possible, we make cross curricular links between RE and other subjects

Teachers regularly reflect on lessons and conduct formative assessment of their children. They use this to close any gaps and address misconceptions.

We immerse our children in RE by giving them opportunities to visit places of worship. We also have religious speakers into school and workshops to support the teaching of RE.

We make regular links between RE and SMSC (social, moral, spiritual and cultural) throughout all year groups. This is done through carefully planned lesson and assem-
