## Keep Safe.

**Please be aware of what your child is doing on their tablet or phone!**

**Thank you for all your support and attendance at our recent year 1-5 parents evenings. We hope you found the experience useful. If you have any feedback forms you wish to hand in, please do so via the classroom or office.**

### Parking

We know a lot of you have filled in the online survey via our website regarding a crossing outside the school. The results have been collated and used in the police/BVT/school group who are constantly working to improve road safety outside the school and require information before we can set up any type of crossing patrol. Can any parents/carers who drive to drop off/collect their children use the village centre carpark or overflow carpark. The central raised table with double yellow lines is for crossing the road and IS NOT for pick ups and drop offs as visibility is greatly reduced and pedestrian numbers are high. Thank you.

### TEAM SAFE

Team Safe have completed a Pupil Voice Questionnaire for all of our pupils to complete. They will then be working hard sorting through the results and making sure that all our pupils feel happy, safe and know where to go if they ever feel sad or upset.

They presented an assembly based around Safer Internet Week on 7th February.

**Safer Internet Day 2017**

There have been some recent reports and concerns around the dangers of social networking sites such as 'musical-ly' Instagram and Snapchat. Please ensure that you closely monitor what your children are posting and uploading onto the internet and who may be able to view this information.

Mrs Thornton our school business manager will sadly be leaving us at the end of term for pastures new, she has been with us since the school opened so we will miss her very much. I am delighted to announce though that Mrs Kayleigh Skeates-Lodge has been appointed by the governors as our new SBM which we are very excited about. We will be appointing a new administrator in due course.

### Toy Sale

We will be holding a toy sale on 31st March. Items will be priced from 50p to £5 (for large toys and games). If you have anything you would like to donate, then please bring it in to your child's classroom no sooner than Monday 27th March. Each class will be taken to the event during the afternoon and will have an opportunity to spend any money they are sent in with.
