

Lightmoor Village Primary School

Social Story Reception Starters 2021

On Monday 6th September, I am starting my new school.

My new school is called Lightmoor Village
Primary School

I will arrive at my new school and walk
down a road called Furnace Avenue.

Here is the gate I will walk through to get into school.

I will walk through the Reception garden and go into school through this door.

My class is Reception Class. I will walk into my classroom here.

This is my classroom.

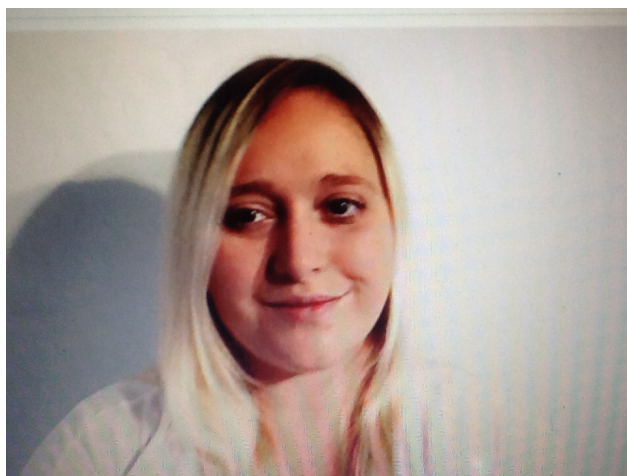

Here is my cloakroom. I will hang my coat
and bag here.

My peg will have my name on it.

My teacher is Miss Robson.

My Teaching Assistant is Mr Edwards.
He will be in my classroom too.
Mr Edwards is there to help me if I need it.

At break times and lunchtimes, I will go outside
through this door, into my play areas.

This is the Reception Garden.

This is the Reception Playground.
I will play nicely with my friends and have
lots of fun.

Here are the toilets.

I can use these toilets if I need to, remembering to ask my teacher first and washing my hands after I have finished.

I'm looking forward to starting my new school, learning lots of exciting things and making lots of new friends.
