## Team Safe are back!

This term we have been really pleased to be able to set up Team Safe in school. Their role is to ensure that the children of Lightmoor are kept safe both inside and outside school. They will do this by leading a range of school assemblies, creating posters and information for children and their parents / carers and also by being there for any children that want to talk. We hope to be able to share with you lots of their work in 2022!

## Autumn Term Reports

Over that last few weeks teachers in school have been busy assessing the work of all of our pupils after their first term back at school. Parents and carers of children in Years 1 - 6 will receive their child's end of Autumn Term Progress and Attainment report on Friday 14<sup>th</sup> January. Parents and Carers of Reception children will be able to find their child's next steps on tapestry from this date also.

## Covid Symptoms/Regular Testing

If your child is displaying any of the covid-19 symptoms can we be extra vigilant by booking a PCR test straight away and self isolating your children until you have received their negative test result.

We kindly remind all parents/carers to ensure that we all maintain social distancing and consider wearing a face mask, when dropping off/picking up children from their allocated gates.

Thank you.
